

# Erin Sedor, Black Fox Strategy

## Erin Sedor is an Executive Strategy Coach

with more than three decades of experience in navigating strategic risk and organizational change. Leveraging deep roots in enterprise risk and strategy design, Erin works with leaders to gain the insight they need to navigate the complexities of today's business environment. Her expertise is not bound by industry, but rather augments that of her client's, while adding a fresh new perspective that challenges assumptions and breaks down status quo mindset.

The uniqueness of Erin's **Quantum Intelligence** approach is that it centers strategy around *Purpose, Growth & Evolution*, leveraging the dynamic human learning inherent in every organization, and embracing uncertainty and change for the opportunities it creates.

*"I use a Performance Intelligence + Strategy Design + Executive Coaching formula because solving strategy takes all three disciplines."*
